

Summer Short-Term Missions

This year's short term mission project:

Immersion into the community of Aliquippa, PA. June 19-

23. Ever since the steel industry crashed in the 1980s, this small city has been marked by material and spiritual poverty. We will partner with the Church Army (an affiliated ministry of the Anglican Church of North America). Our work may include community service, clean-up projects, community garden work, evangelism and listening.

Please pray how the Lord would use you in this ministry.

The cost per person is \$250, made payable to "The RESeminary", and note on the check that it is for the "Summer Mission Event". This covers meals, water bottles, lodging/accommodations, ministry/work supplies and rest day activities. This would not cover transportation to and from Aliquippa.
