PASTORAL VACANCIES AND NEW HIRES

New Hires

Emmanuel Church-Somerville, PA – The Rev. Lorenzo Figueroa Cusik has completed his process of transfer into NEMA and was installed into the Rectorship of Emmanuel REC, in Somerville, NJ.

St. Peter's Church – Elkton, MD – The Rev, Stephen Atchison was installed into the Rectorship of St. Peter's Anglican Church in Elkton, MD.

Grace Anglican Church – Scranton, PA – The Rev. Jared Lovell was installed into the rectorship of Grace Anglican Church in Scranton, Pa. The church has also progressed into full parish status under his care.

St. Paul's Church – Oreland, PA – On January 1, 2026, the Rev. Greg Miller took over for Dr. Matt Harrington at St. Paul's REC in an effort to revitalize the parish. He has been diligently increasing outreach and contacts week by week. Attendance was 25 souls on Sunday, October 4th. The summer barbeques, bar Bible Study, Sunday Fundays, as well as door to door visitation are yielding steady fruit. Thanks be to God!

Vacancies

Covenant Chapel – Basking Ridge, NJ – VACANT Covenant Chapel remains vacant at this time. After a short stint this past spring, the Rev. Dr. Seth Snyder who had been called to Covenant Chapel REC, was forced to resign. The Snyder family has returned to Ohio, and the parish is now in search of a new rector. The Rev. Michael Carr is acting as interim.

New Creation Anglican Church – Hagerstown, MD- VACANT We are also looking for a Vicar for this new reception into NEMA. Many thanks to the Dean of MD, the Rev. Dr. Eric Jorgensen, for leading the way in staffing the pulpit week by week with local men to support this work. Continue to keep the Vicar search in your prayers.

Church Reports

Church of the Atonement – Philadelphia, PA – The Rev. Jason Holloway (Vicar) has begun a new era of outreach to new members of the community. Assisted by the Bishop and the Rev. Greg Miller, various plans for outreach are underway.

St. George's REC, Hamilton, Ontario – The Rev. Paul Luth reports wonderful stories of growth and excitement at St. George's in Hamilton. Having undertaken a program of outreach over the summer, new visitors are coming into St. George's at an increasing rate.

Grace REC Collingdale – The Rev. Shawn Riley is also seeing encouraging signs of the Spirit's moving at Grace. My episcopal visit saw more than 70 souls in attendance for the day. The Rev. Michael Fitzpatrick has officially retired, and Fr. Shawn is seeking a new assistant. Continue to pray for God's direction in this parish.

Good Shepherd Church – Carlisle, PA – This mission continues to forge ahead under the capable hands of the Rev. Ricky McCarl. Attendance at my episcopal visit was 95 souls with 13 confirmed and 2 new lay readers licensed. Full parish status is now on the horizon, as are discussions of adding a second Sunday morning Eucharistic service. This gives Good Shepherd the record for most confirmations in 2026. Fr. Ricky is also working with the new plant in Lancaster, Resurrection Anglican Mission.

St. Luke's & Bishop Hoffman – Philadelphia, PA – The Rev. David France has announced his retirement (but not his complete departure) from St. Luke's Bishop Hoffman REC. The work is stable but not out of the woods. We continue to look for God to open doors through both the Spanish and Chinese speaking portions of the ESL program, which continues under the care of Chris and Naomi Morris of St. Mark's REC.

St. Mark's Church – Rydal, PA - The Rector, Parish leadership and the Bishop are praying about plans for the institution of a Curacy program to train new Church Planters and revitalizers. We are considering a partnership with the Made to Flourish Foundation which helps churches by way of a 5-year grant to assist in funding this important work. We have two such programs in the REC, one in Southeast and one in Mid-America.

In addition, the Chinese community outreach effort that had been previously meeting at St. Luke's - Bishop Hoffman, has now been moved into St. Marks's with the use of translating software so that they can worship together with the English congregation. Continue to pray that God will provide a leader for this strong outreach.

Jesus the Good Shepherd Mission – Brooklyn, NY – The parish continues in its mission status which was begun in the fall of 2024. Their property on Flatbush Avenue is currently under contract for sale. Having received a full price offer, we are now in "any day status" for the closing of this sale. It is pending the approval of the Attorney General of NY. We were hoping that this would be completed by the end of 2025, but are still waiting. Residual funds are to be used in an attempted replant in a more advantageous circumstance. Rev. Deacon Carl Wegner continues his faithful service to the mission.

Church Plant Opportunities

Martinsurg WV/Brunswick, MD - Due to recent complicating factors, this church plant is off our radar for now. Rev. Ricky McCarl is advising.

Williamsport, PA – This interest group has undergone some turnover in the last 12 months but still express an interest in establishing an Anglican testimony here. Rev. Lovell and McCarl have been advising this fledgling work.

Resurrection Anglican Mission, Lancaster, PA - A first interest meeting was held on Tuesday, Oct. 7, 2025. 20 people were in attendance. The fledgling group began meeting on Sunday afternoons in February. They have now planned a move to a more advantageous location with a Sunday morning worship time. Rev. McCarl and Good Shepherd Anglican, as well as the Rev. Cn. Dr. Matt Harrington and St. Alban's, are assisting with aid on several levels.

Philadelphia, PA – Rev. Patterson reports the very beginnings of a possibility of another work in Philadelphia. What began as a single family last fall now has four families with interest in this project. The Rev Ben Pearce is currently leading them in catechetical studies.

Church Transfers

Christ the King Chapel, Taunton, MA – The Rev. John (Jack) Simpson (RES graduate) has been leading a Bible study in his home that has now become a fledgling work. They requested admission into NEMA and were approved by the Standing Committee in March of 2026. We are now in process of getting them acclimated to the NEMA culture. Jack is a longtime friend of the

Very Rev. Eduardo Andrade, and many of the folks at Good Shepherd, Bridgewater. Please be in prayer for this newly formed work.

Christ Church, Brownsville, PA This ACNA parish, currently in the Diocese of Pittsburg, has been in contact with me about transferring into the REC. This historic parish began the first half of the year without any access to the Eucharist as they refused a woman supply priest from their Diocese. There is now a priest from the continuum who comes to assist them each month. Pray that we can help them.

Reformed Episcopal Seminary

The Blue Bell property has finally been sold, and the assets are under the care of the Seminary. Please pray for this important work, as we have no where else to send our young men. I installed five new students at the end of August for this school year and am making every effort to be with the students on a monthly basis for the Wednesday Eucharist and lunch to follow.

Symposia and Lectures throughout the year have served to increase the profile of the Seminary, as has the beautiful new quarterly magazine. If you are an alumnus, please consider what you can give to the work of RES. If you are a parish not supporting the Seminary with a monthly donation, figure out where you can begin. This is a tremendously important work which needs your support more than ever.

OTHER MATTERS

Committee on Young People's Work

Winter Camp was held February 13th-15th at Rock Mountain Bible Camp. The program had just over thirty middle and high school students in attendance as we considered the theme "The Greatest of These is Love". Through explorations of Romans 5 and I Cor.13, students were introduced to the theological virtues of Faith, Hope, and Love. Fr. Billy Jenkins led the talks for the weekend, and Fr. Jason Holloway directed the camp's activities. They were assisted by a staff of about ten volunteer counselors who did an excellent job forging relationships with the students and leading them to Christ by word and example.

Summer camp was held at Rock Mountain July 26- August 1. Just under 100 people gathered from around the diocese for this important week. The themes were the lives of Job and David, led by Fr. Justin Forsberg and Bishop Jenkins. Fr. Chester Banks led the staff in devotions each day. The reading of the daily offices, the singing of hymns, and other songs, and the Celebration of the Holy Communion on the final day all led to a week defined by worship and drawing nearer to God.

It was also a wonderful week of friendship and fellowship. There is something about escaping the myriad of technologies that permeate daily life, retreating to the mountains and having regular face-to-face contact with old and new friends that makes camp week such an important

part of the attendees' Christian journey. I would strongly encourage everyone looking to deepen their faith to come as camper or counselor in future years.

Our thanks to the Rev. William A. Jenkins, Jr., the Committee on Young People's Work and camp staff for their continued commitment to the spiritual encouragement of our young people.

Risk Management

This task is still evolving, having undergone several iterations as we try to stay in line with ACNA protocols. Thankfully, the former head of safeguarding for ACNA, Dr. Tiffany Butler, was a very pro-REC leader. She has been most helpful along the way. At this point, all Church clergy should continue getting their background checks lined up through Protect My Ministry, and the Rev. Ricky McCarl. These are required for all members who serve children and at-risk adults in all our congregations in any capacity. Bp. Sutton has suggested that each Diocese should employ the same statement and paradigm assembled by attorney/priest Rev. Wyatt Boutwell for the time being.

Diocese of Central Eastern Canada

This Diocese was previously committed to the care of the NEMA Diocese. As reported prior, we had been awaiting a new non-profit registration that would replace the Diocesan entity of Central and Eastern Canada. This was necessary for the continued funding of the Cuban Mission work originally established under the DCEC. That charitable entity is now in place.

Although I previously intended to close this diocese, it now appears this may not be necessary, as we can simply "mothball" it for the time being. Perhaps God will give us opportunity to employ its structure in the future.

BOARD OF FOREIGN MISSIONS-AKD

We continue as the overseeing body for the German AKD, and the existing churches. Bp. Gerhard Meyer has celebrated his 20-year anniversary to the episcopate with his retirement from active ministry. Plans are underway to celebrate his anniversary with a retirement party. We are glad to have a delegation from Germany with us at this diocesan council. We will hear from them later in the meeting.

Respectfully submitted,

Bishop Wm. A. Jenkins, Sr.

Covenant Chapel in Basking Ridge, NJ - After a short stint this past spring, the Rev. Dr. Seth Snyder who had been called to Covenant Chapel REC, was forced to resign. The Snyder family has returned to Ohio, and the parish is now in search of a new rector. The Rev. Michael Carr is acting as interim.

New Creation Anglican Church in Hagerstown, MD (a new reception into NEMA) is also looking for a Vicar. Many thanks to the Dean of MD, the Rev. Dr. Eric Jorgensen, for leading the way in staffing the pulpit week by week with local men to support this work. Continue to keep the Vicar search in your prayers.

CHURCH UPDATES

Church of the Atonement – Philadelphia, PA – The Rev. Jason Holloway (Vicar) has begun a new era of outreach to members of the community. Assisted by Bishop Jenkins and the Rev. Greg Miller, various plans for outreach are underway.

St. George's REC, Hamilton, Ontario – The Rev. Paul Luth reports wonderful stories of growth and excitement at St. George's in Hamilton. Having undertaken a program of outreach over the summer, new visitors are coming into St. George's at an increasing rate.

Grace REC – Collingdale, PA – The Rev. Shawn Riley is also seeing encouraging signs of the Spirit's moving at Grace. Bishop Jenkins' episcopal visit saw more than 70 souls in attendance for the day. The Rev. Michael Fitzpatrick has officially retired, and Fr. Shawn is on the hunt for a new assistant. Continue to pray for God's direction in this parish.

Good Shepherd Church – Carlisle, PA – This mission continues to forge ahead under the capable hands of the Rev. Ricky McCarl. Attendance at Bishop Jenkins' episcopal visit was 95 souls with 13 confirmed and 2 new lay readers licensed. Full parish status is now on the horizon, as are discussions of adding a second Sunday morning Eucharistic service.. Fr. Ricky is also working with a new plant in **Lancaster, Resurrection Anglican Mission**.

St. Luke's & Bishop Hoffman – Philadelphia, PA – The Rev. David France has announced his retirement (but not his complete departure) from St. Luke's Bishop Hoffman REC. The work is stable but not out of the woods. We continue to look for God to open doors through both the Spanish and Chinese speaking portions of the ESL program, which continues under the care of Chris and Naomi Morris of St. Mark's REC.

St. Mark's Church – Rydal, PA - The Rector, Parish leadership and Bishop Jenkins are praying about plans for the institution of a Curacy program to train new Church Planters and revitalizers. They are considering a partnership with the Made to Flourish Foundation which helps Churches by way of a 5-year grant. In addition, the Chinese community outreach effort that had been previously meeting at St. Luke's - Bishop Hoffman, has now been moved into St. Marks's with the usage of translating software so that they can worship together with the English congregation. Continue to pray that God will provide a leader for this strong outreach.

Jesus the Good Shepherd Mission – Brooklyn, NY – The parish continues in its mission status which was begun in the fall of 2024. Their property on Flatbush Avenue is currently under contract for sale. Having received a full price offer, we are now in "any day status" for the closing of this sale. It is pending the approval of the Attorney General of NY. Residual funds are to be used in an attempted replant in a more advantageous circumstance. Rev. Deacon Carl Wegner continues his faithful service to the mission.

CHURCH PLANT OPPORTUNITES

Martinsburg WV/Brunswick, MD - Due to recent complicating factors, this church plant is off our radar for now. Rev. Ricky McCarl is advising.

Williamsport, PA – This interest group has undergone some turnover in the last 12 months but still expresses an interest in establishing an Anglican testimony here. Rev. Lovell and McCarl have been advising this fledgling work.

Resurrection Anglican Mission, Lancaster, PA - A first interest meeting was held on Tuesday, Oct. 7, 2025 with 20 people in attendance. The fledgling group began meeting on Sunday afternoons in February. They have now planned a move to a more advantageous location with a Sunday morning worship time. Rev. McCarl and Good Shepherd Anglican, as well as the Rev. Cn. Dr. Matt Harrington and St. Alban's, are assisting with aid on several levels.

Philadelphia, PA – Rev. Patterson reports the very beginnings of a possibility of another work in Philadelphia. What began as one single family last fall now has four families with interest in this project. The Rev. Ben Pearce is currently leading them in catechetical studies.

CHURCH TRANSFERS

Christ the King Chapel, Taunton, MA – The Rev. Dr. John (Jack) Simpson (RES graduate) has been leading a Bible study in his home that has now become a fledgling work. They requested admission into NEMA and were approved by the Standing Committee in March of 2026. They are now in process of getting acclimated to the NEMA culture. Please be in prayer for this newly formed work.

Christ Church, Brownsville, PA - This ACNA parish, currently in the Diocese of Pittsburg, has been in contact with Bishop Jenkins. They are interested in transferring into the REC.

REFORMED EPISCOPAL SEMINARY

The Blue bell property has been sold, and the assets are under the care of the Seminary. Bishop Jenkins installed five new students at the end of August for this school year and is making every effort to be with the students on a monthly basis for the Wednesday Eucharist and lunch to follow. Symposia and Lectures throughout the year have served to increase the profile of the Seminary, as has the beautiful new quarterly magazine.

The lump sum is to be paid before June 1, 2026. All Saints was an REC Parish but transferred to CANA in 2013. There were 8 yeas and 1 no. Motion carried.

Acceptance of the Treasurer's report was approved unanimously.

Email Poll September 4, 2026

Bishop Jenkins asked for Trustee approval of a motion to grant New Creation Anglican Mission $10,000 for a year of Pastoral Salary Assistance to begin with the commencement of the Pastor's service in the parish." This is an increase of what we have normally allotted (which has been $5K/yr) and is reflective of the inflationary environment in which we are living.

The support is offered for one year only, with an expectation of reduction over the next 3 years (which is to be discussed at our Fall 2026 meeting.) The motion carried.

Email Poll July 21, 2026

Bishop Jenkins asked for Trustee approval for our two Reports Receivers, who receive and handle any complaints of Clergy or Laity misconduct, have been invited to a seminar sponsored by ACNA for continued education in their roles for the diocese. Our two receivers are Dss. Susan Regisford, and "deaconess to be", Nkiru Menkaya..

4. Bishop Jenkins' Report
   a. In an effort to keep discussion brief, Bishop Jenkins asked the Trustees to read his report in advance of the meeting indicating that it was self-explanatory. He then entertained questions that members have.
   b. There was discussion about hiring a Canon Missioner for the Diocese. Bishop Jenkins indicated that he did not hire a Canon Missioner, but that Rev. Ricky McCarl had been hired as an Assistant for Missions.
   c. At a previous meeting, the Trustees approved $10,000 for Outreach at St. George's, Hamilton, Ontario. That effort was scaled back due to Rev. Mark Story's health issues.

   There was a motion to receive the Bishop's Report. It was unanimously approved.

5. The Treasurer's Report
   a. Mr. Riches presented the current status of the 2026 budget as well as the projected 2027 budget
   b. There was discussion of the effect of the stock market on Diocesan assets and that while there was growth in 2026 so far, the investment accounts are not producing as much income as anticipated due to market volatility.

1. Mr. Riches also reported that Parish Tithes are down $52,000 from this time last year.
2. Parish and salary support has increased from last year and the budgeted amount. This is mostly the result of support for the Rev. Dcn. Carl Wegner travelling to and from Brooklyn to lead worship at Jesus the Good Shepherd.

c. Mr. Riches then led us through the 2027 budget
    1. There is an increase of $7500.00 in Parish Support to assist St. Luke's Bishop Hoffman during the coming year.

    3.

Acceptance of the Treasurer's report was approved unanimously.

6. Old Business:
    a. The current status of Jesus the Good Shepherd was previously discussed. The sale has been delayed one more time with the Attorney General requesting additional information. That information has been provided and we are awaiting their response. The Trustees were asked to pray for the New York Attorney General's Office to approve the sale.
    b. St. Alban's Church. We will be putting together a plan in the new year for St. Alban's to pay back their arrears in Diocesan Tithe. A payment schedule will be established.

7. New Business:

    a. The Diocese has been asked to help host Grace and Bishop Gerhardt Meyer when they visit here next year. Covenant Chapel has offered their Rectory for the Meyers while here. It is still uncertain whether the Meyers will come and what assistance might be requested.
    b. There is no update on the proposed Curacy Program which will be part of a long-range effort to train and develop Church Planters. This is on hold until Rev. Jason Patterson returns from sabbatical.

8. Next Meeting will be a brief organizational meeting during Diocesan Council in November. The next regular meeting will be on May 17, 2027.

9. A motion was made, seconded, and approved to adjourn the meeting at 9:05 pm.

10. Bishop Jenkins offered the closing prayer and pronounced the Benediction.

Respectfully submitted,

Rev. David A. France, Secretary

REPORT OF THE TREASURER OF THE BOARD OF TRUSTEES
November 5, 2026

To the One Hundred Forty-Sixth Council
Of the Diocese of the Northeast and Mid-Atlantic
Of the Reformed Episcopal Church

November 5, 2026

Dear Brethren,

NEMA's financial activity during the period January 1, 2025 through September 30, 2026 is the subject of this report. Following is a summary of the key events through the period (referencing Appendix II through VI) and the effect of each.

Summary

Although the rate of inflation has recovered to a nearly "acceptable" level, its decrease has not put a significant dent in the 21% average cost increase on just about everything that has been the result of record inflation during 2021 through 2023. Financial markets continue to be turbulent with high volatility, especially during the last six months. The Raymond James Diocesan Investment account, the key element of NEMA's investment portfolio, began 2025 at $1.5MM and closed that year at $1.95MM yielding a very good gain of $450K, or 30%. But it finished through September 30, 2026 just under $1.95MM, yielding a marginal loss. Unrestricted investment assets in total realized a loss of $81K, a loss of 3%.

Mortgage receivables declined $473K during the period as mortgagors made scheduled payments and two mortgages were closed through early payoffs: on April 9, 2025, St. Albans' mortgage receivable asset of $326,445.67 was transferred to the Diocesan Investment account; on June 24, 2026 All Saints' mortgage receivable of $106,673.46 was transferred to the Diocesan Checking account. The remaining Christ Covenant Presbyterian mortgage is current as of September 30, 2026.

Parish Tithes increased from $271K in 2024 to $311K in 2025, or up 14.8%. Parish Tithes of $192K year-to-date September 30, 2026 is down $52K over the year-to-date September 30, 2025 amount of $244K, or 21%. Real income is universally down as everyday costs have recovered little, remaining nearly stuck at the level produced by the 9.1% inflation rate of 2023–2024. It had begun a rebound but stalled as geopolitical instability surged in 2026.

Similarly, the operating expense side of NEMA's finances has been negatively impacted. Through the period January 1, 2025 through September 30, 2026, total expenditure was $892K against total net revenue of $823K, a revenue shortfall of $69K. Major factors contributing to increased are evident in the sections of this report that document NEMA's ministry and business operating income and expenses.

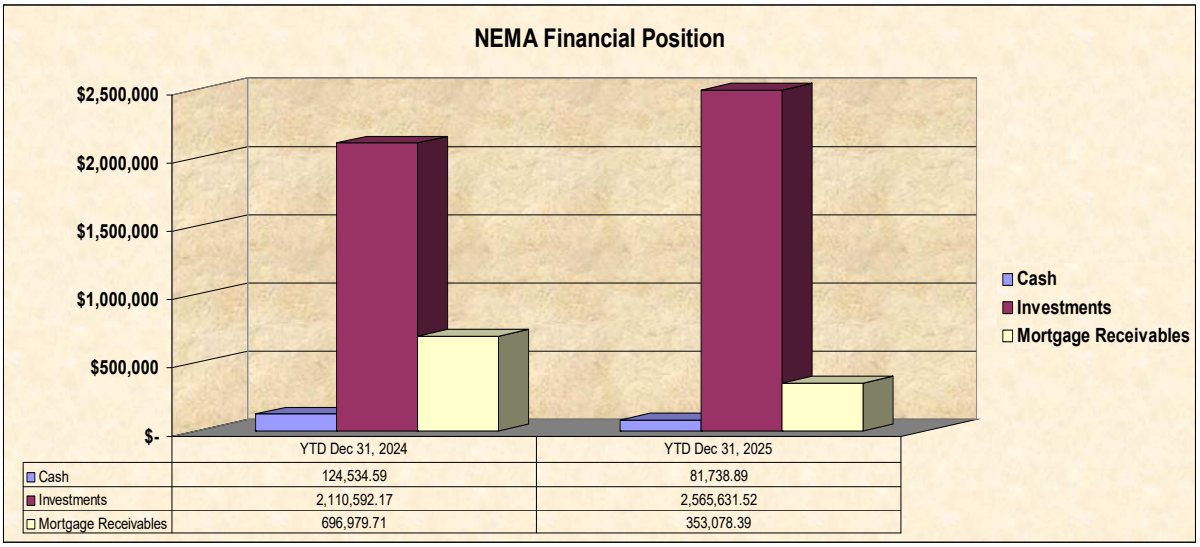

Account Summary

A summary description of the accounts whose status is presented herein is available in Appendix I of this report.

NEMA Financial Performance

Items of Significance – Year 2025 vs. Year 2024 *(Referencing the Statement of Financial Position & Statement of Activities in Appendix II of this report)*

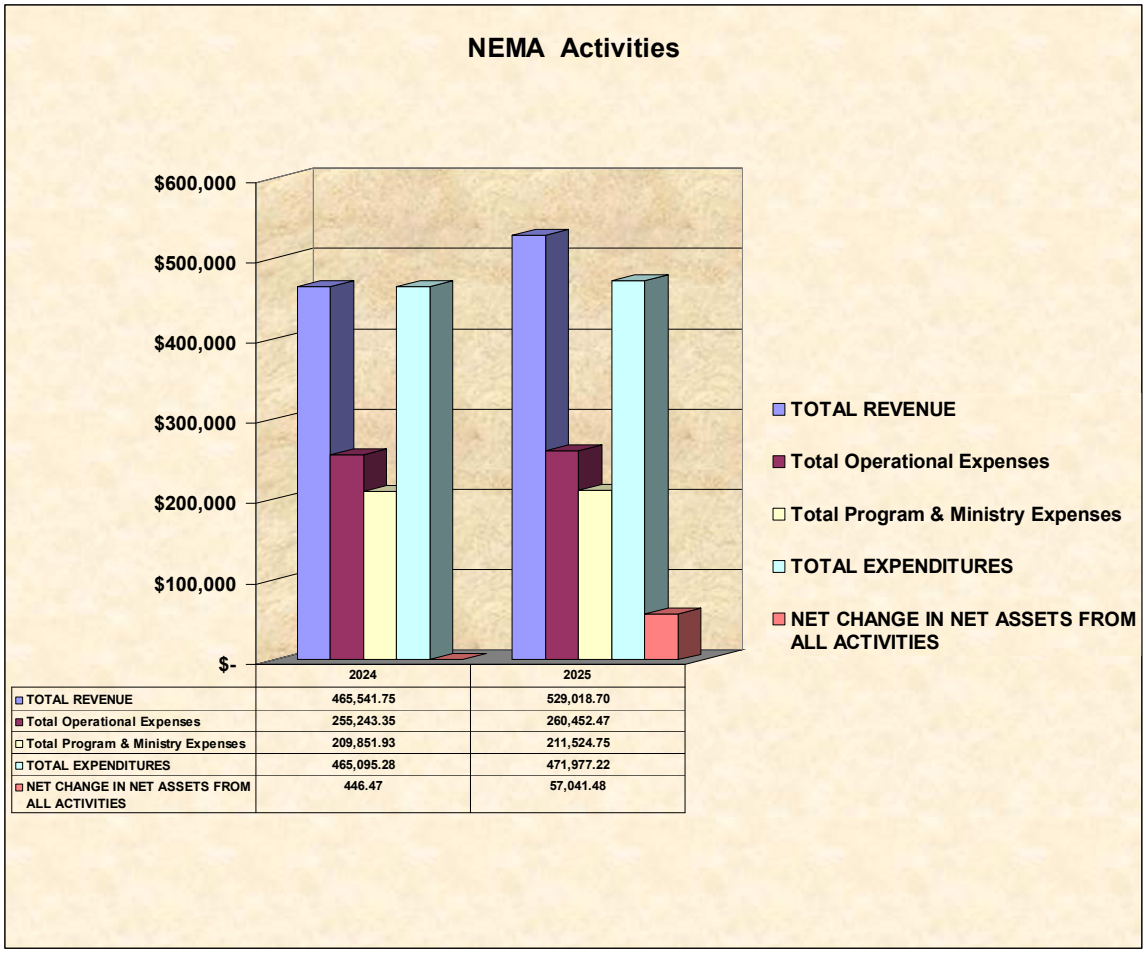

Financial Position

	YTD Dec 31, 2024	YTD Dec 31, 2025
Cash	124,534.59	81,738.89
Investments	2,110,592.17	2,565,631.52
Mortgage Receivables	696,979.71	353,078.39

- The cash position declined in 2025 as increased costs put a strain on the asset;
- Investments gained 21.6% or $455,039 in 2025 largely due improvements in the economy, mainly from new manufacturing and technology investments;
- Mortgage receivables were down 49.3% or $343,901 in 2025 as mortgagors made regularly scheduled payments and St. Albans paid off the remaining balance of its mortgage.

Activities

	2024	2025
TOTAL REVENUE	465,541.75	529,018.70
Total Operational Expenses	255,243.35	260,452.47
Total Program & Ministry Expenses	209,851.93	211,524.75
TOTAL EXPENDITURES	465,095.28	471,977.22
NET CHANGE IN NET ASSETS FROM ALL ACTIVITIES	446.47	57,041.48

For unrestricted assets:

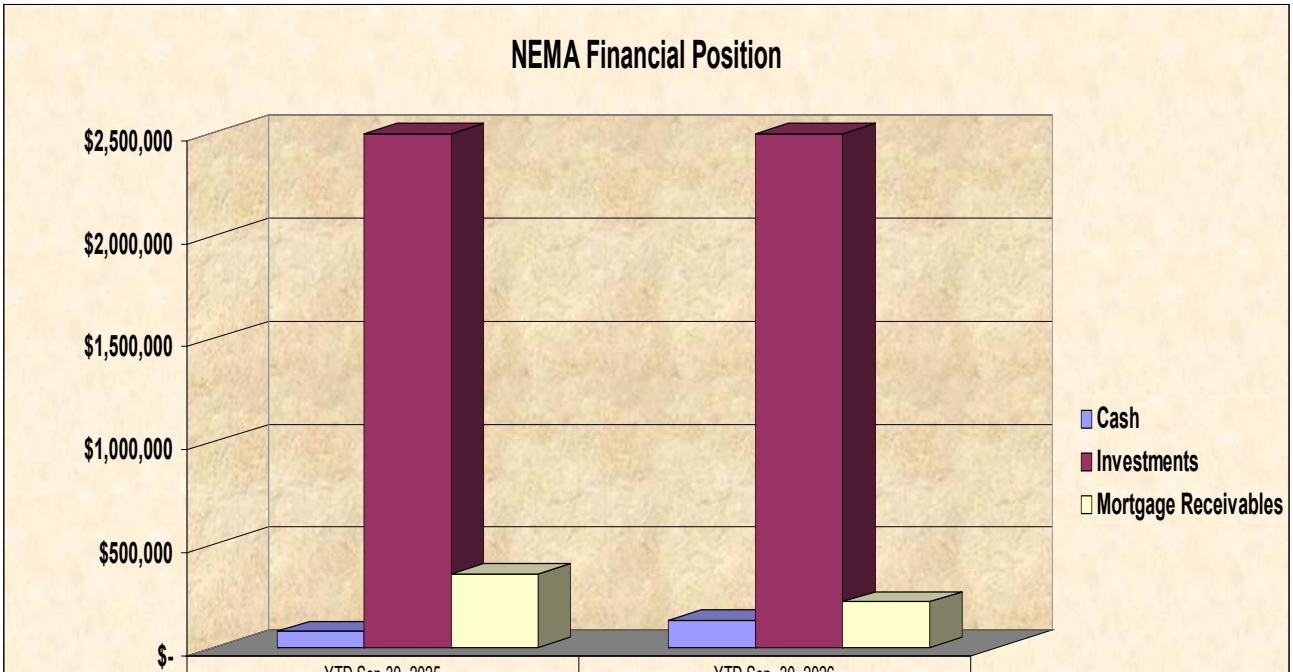

- † Total revenue was up 13.6% or $63,477 in 2025. This rate is almost double the 7% generally accepted as the expected good annual return on market investments;
- † Operational expenses were up 2% or $5,209. There was an increase in program and ministry expenses of 1% or $1,673 due largely to the addition of support for Jesus the Good Shepherd. Overall expenditures increased by 1.5% or $6,682, an indication that operating expenses have been well-managed in the face of increased costs;
- † Net change in assets from all activities in 2025 was $57,041 versus $446 in 2024, an increase of $56,595.

Details of Benson Fund and Bassinger Home Fund performance are available in Appendix III of this report.

To prepare financial strategy and budgets for 2027 and beyond, it is necessary to consider the changes in financial performance that have occurred during the first three quarters of 2026 compared to what occurred during the same period in 2025.

Items of Significance – Year-to-Date (YTD) September 30, 2026 vs. YTD September 30, 2025 *(Referencing the Statement of Financial Position & Statement of Activities in Appendix III of this report)*

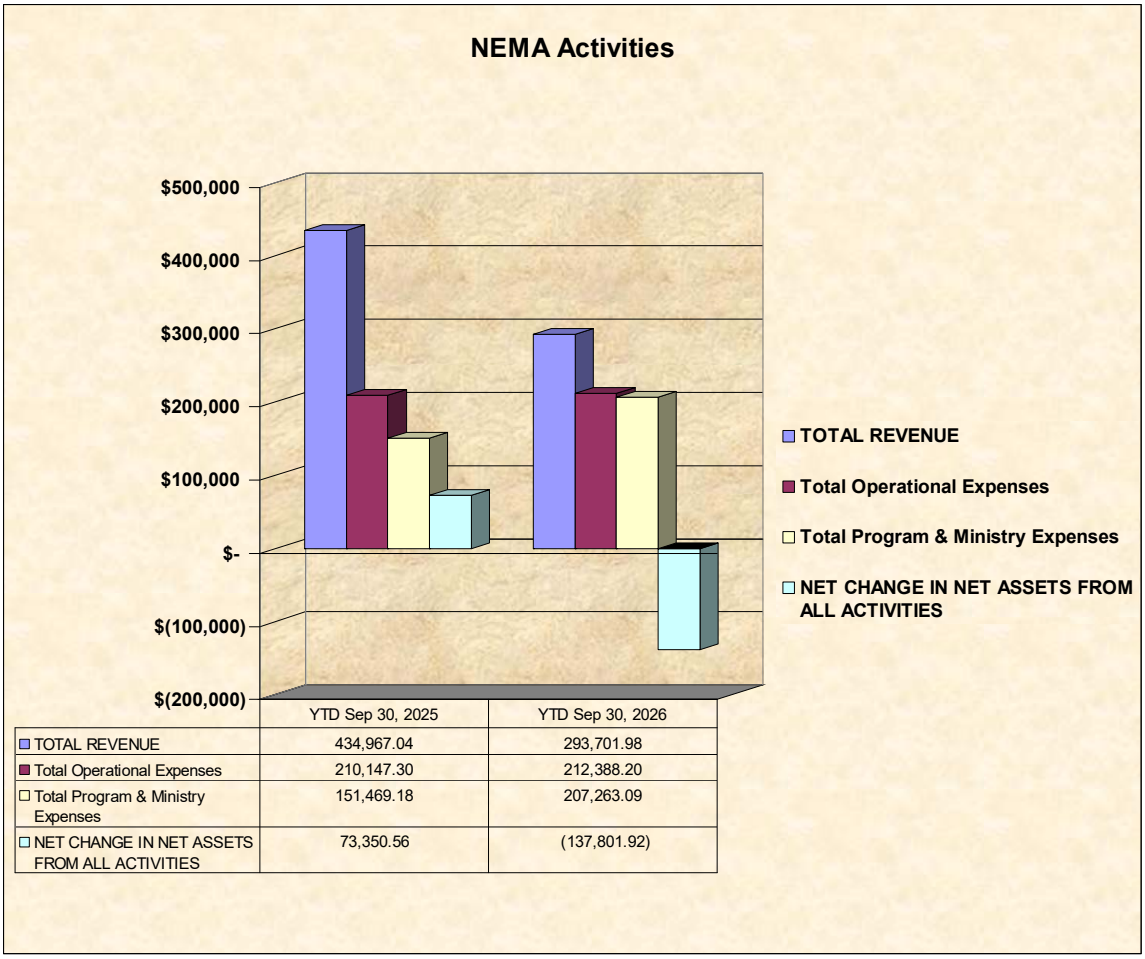

Financial Position

	YTD Sep 30, 2025	YTD Sep 30, 2026
Cash	78,352.06	133,695.35
Investments	2,578,121.04	2,513,096.50
Mortgage Receivables	359,071.96	224,106.10

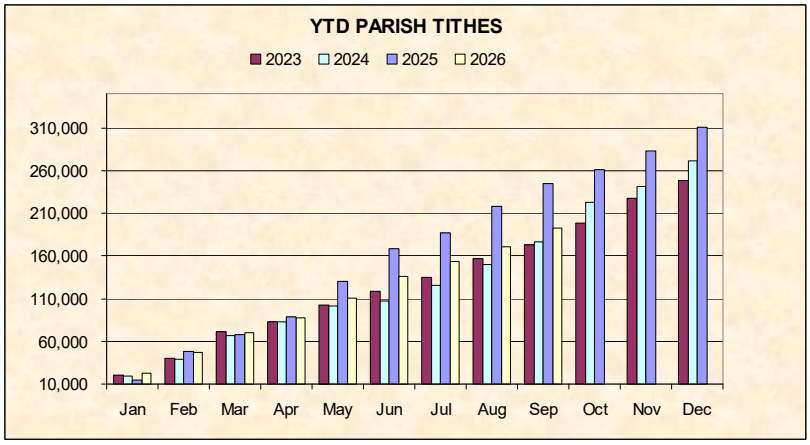

- The cash position increased by $55,343 or 70.6% due to the All Saints mortgage payoff being retained temporarily in the operating cash account;
- Investments decreased by a net amount of $65,025 or 2.5% as markets reacted to increased costs caused by the wars in Ukraine and Iran, growing tensions in eastern Europe and the Mid-East and civil unrest across the globe;
- Mortgage receivables dropped 37.6% or $134,966 as the All Saints payoff was transferred to the Diocesan Operating Cash Account.

Activities

	YTD Sep 30, 2025	YTD Sep 30, 2026
TOTAL REVENUE	434,967.04	293,701.98
Total Operational Expenses	210,147.30	212,388.20
Total Program & Ministry Expenses	151,469.18	207,263.09
NET CHANGE IN NET ASSETS FROM ALL ACTIVITIES	73,350.56	(137,801.92)

† Total revenue decreased $141,265 including: a $86,817 decrease in net investment revenue due to volatile market performance; a $2,091 decrease in mortgage interest due to transfer of the All Saints mortgage asset to an operating cash account; a $813 decrease in other income; and a $51,544, or 21% decrease, in parish tithes. Here is a graph of parish tithes for the period 2023 through YTD September 30, 2026. St. Albans' 2025 payment of $61,345 accounted for a large portion of that

year's increase. It was in partial satisfaction of the parish's agreement with NEMA to resume tithes that had been previously suspended so that extraordinary parish expenses could be paid. The third quarter 2026 overall decline in the three-year growth trend for parish tithes is of some concern. If it continues, there could be a significant shortfall of income during future years;

- † Overall expenditures were up 16% or $58,035;
- † As a result of these factors in revenue and expenditures during 2026, net change in assets from all activities YTD September 30, 2026 declined sharply to ($137,802) versus $73,351 for YTD September 30, 2025, a decrease of $211,253;
- † There was one transaction for non-standard activities that occurred during 2026: the NEMA Treasury received a $106,673.46 check from the All Saints Anglican parish, paying the balance of its mortgage at a discount rate of 10%. The asset was transferred to the Diocesan Checking account.

Actual vs. Budget – YE 2025

All of the key factors noted above in the discussion of 2025 and 2026 YTD financials apply to actual performance vs. operating budget as well. Details of the major line items that contributed to these effects can be found in Appendix IV of this report. The manner in which those factors affected operating budget performance is measured in the key totals for 2025 actual vs. budget performance, which are: actual revenue was $96,440 below budget; operational expenses were held at $15,929 below budget; program and ministry expenses were $11,475 below budget; transfers from investment to operating cash accounts totaled $77,146. Transfers totaling $37,146 from NEMA's Parish Development investment account funded parish support for Atonement, Grace Collingdale and Jesus the Good Shepherd. A total of $80,000 was transferred from the Diocesan Investment account to the diocesan checking account to pay general operating costs.

NEMA Operating Plan & Budget for 2027

The 2027 operating budget is available for reference in Appendix V of this report.

2027 Operating Plan Revenues

NEMA's 2027 revenue will derive from three major sources – tithes by parishes to the Diocese, mortgage payments from mortgagors and return on investments.

Parish Tithes – NEMA expects to receive a tithe every month from each parish in the Diocese. Tithe amount by each parish is calculated at 10% of the parish's revenue (5% for a parish in "mission" status). Parish tithes are the only source of revenue that can be increased or decreased from within the Diocese itself. If parishes grow in size and number, parish tithe revenue to the Diocese should accordingly grow. It is the revenue class of the highest value because it suggests results from progress toward satisfaction of

the charge by Christ to grow His Kingdom. It is also the revenue class that historically has provided the highest amount of operating revenue.

Parish Tithes YTD September 30, 2026 amounted to $192,941, $35,809 below what was expected according to the 2026 NEMA Operating Budget. Parish Tithes 2026 year-end total is estimated to be $257,255, $47,745 below the budget of $305,000. The 2027 operating revenue budget sets Parish Tithes at $305,000. Continuation of the 2026 overall decline in the three-year growth trend for parish tithes would be a major financial issue. A *NEMA Parish Tithe Calculation Form* is available on the NEMA website for parishes to use when submitting tithes to NEMA.

Mortgage Payments – NEMA receives a payment every month against the mortgage the Diocese holds for a single property – Christ Covenant Presbyterian in Warminster, PA. The mortgagor is obligated to make these payments, so this revenue is virtually assured so long as the mortgagor remains financially viable. Annual revenue from mortgage payments is fixed at $19,650, assuming that the mortgage remains current, and will remain at that level until satisfaction of the mortgage. This became the new annual level as a result of the All Saints mortgage being paid off in July 2026. This will have a serious impact on our operating cash flow, which may result in the need for regular transfers from diocesan investment accounts to diocesan operating cash accounts. This effect will be offset somewhat for perhaps 5 years by the income generated through revenue earned by the $106,673 increase in investment accounts to be gained by the transfer of the All Saints mortgage asset to the Diocesan Investment account. All of the revenue (principal and interest) from monthly mortgage payments is directly applied to NEMA's cash operating account rather than being reinvested. NEMA no longer writes mortgages.

Mortgage Payments YTD September 30, 2026 amounted to $19,844, $6,382 below what was expected according to the 2026 NEMA Operating Budget. Mortgage Payments 2026 year-end total is estimated to be $24,756, far below budget of $34,968.

Return on Investments – NEMA periodically receives revenue now from two Raymond James investment accounts described in Appendix I of this document; Diocesan Investment and Parish Development. Returns are accumulated from dividends, interest and realized capital gains and are routinely reinvested. Any such revenue amounts are dependent on market performance and are transferred to operating cash accounts if and when needed to fund NEMA's operations. This operating budget net investment revenue for 2027 is set at $65,000, is not assured by any means and is not likely to be anywhere near predicable from year to year. Economic and political instability are likely to continue for some time and it will be necessary to closely control expenditures as a means to manage the dynamic situation. However, the 2027 budget is in keeping with average investment revenue realized over the past 10 years.

2027 Operating Plan Expenditures

Spending is always the first thing to be scrutinized when working to balance a budget. It seems that every year the operating budget is subject to cuts in expense as the way to achieve balance. But the large savings needed to produce a balanced operating budget for NEMA are not available through cutting only small line items. Cutting large line items would paralyze or suffocate ministries. Instead of a focus on cuts, the focus needs to be on growth, and growth is not a one-year thing. Growth requires years of steady increase in revenue accompanied by level or decreasing expenses. Long-term (strategic) thinking is the key.

Consequently, the NEMA Trustees have set an operational expenditure budget for 2027 of ordinary expenditures at $540,211, which is $69,487 or 14.8% above the same budget for 2026. It is also $5,757 higher than the estimated 2026 year-end total operational expenditure of $534,454. Of the 2027 budgeted total, $116,561 is budgeted to be funded from the Raymond James Diocesan Investment and Parish Development investment accounts.

General operational expenditures include a 3% increase in compensation for our staff (Bishop Ordinary, Secretary to the Ordinary, Secretary and Information Technology). As in 2026, there will continue to be stipends paid to the men who assist the bishop with episcopal visits and other duties as needed. These payments are included in the Diocesan Administrative Expense category of the budget. There are amounts in several expenditure line items that will cover the cost of Bp. Jenkins' recommendations for expanded ministries as approved by the NEMA Trustees.

Respectfully submitted,

Ronald E. Riches, Treasurer
Diocese of the Northeast & Mid-Atlantic of The Reformed Episcopal Church

REPORT OF THE NEMA TREASURER – Appendix I
November 5, 2026

Summary of Accounts

The diocesan financial accounts referenced in this report consist of two (2) checking accounts and three (3) investment accounts.

Checking Account Summary

The cash (checking) accounts for the Diocese are as follows:

1. The Diocesan Checking account is effectively the general operating cash account for the Diocese. It is a Wells Fargo checking account used to process revenue and expense transactions for ordinary financial activities of the Diocese.
2. The St. Philip's account is a Wells Fargo checking account formed as a result of the rental and subsequent sale of the former St. Philip's church. This account is now designated as the Bishop's Discretionary Account from which disbursements are authorized jointly by the Bishop Ordinary and the NEMA Treasurer.

Investment Account Summary

The investment accounts for the Diocese are as follows:

1. Raymond James Diocesan Investment account is an unrestricted account held at Raymond James Associates. The NEMA Trustees financial strategy established the policy that the return on this investment (capital gains, interest, dividends) be used as the primary source of investment revenue to help meet the financial obligations of the Diocese with the principal being the secondary source if needed.
2. Raymond James Parish Development account is a temporary restricted account held at Raymond James Associates. The NEMA Trustees financial strategy established the policy that funds in this account be used for the development needs of local parishes.
3. Raymond James Benson Fund is a temporary restricted account held at Raymond James for Grace Church, Collingdale. It is administered jointly by Grace Collingdale and the NEMA Treasurer. Management of the Benson Fund was transferred from Fidelity to Raymond James in May 2022.

PARISH TITHE HISTORY

The Theological Seminary of the Reformed Episcopal Church

Report of the Theological Seminary of the Reformed Episcopal Church
to the 146th Council of the Diocese of the Northeast and Mid-Atlantic
of the Reformed Episcopal Church

October 30, 2026

Mission

The mission and ministry of the Reformed Episcopal Seminary (RES) are integrally related to the work of the Diocese of the Northeast and Mid-Atlantic (NEMA), the wider Reformed Episcopal Church (REC), and the Anglican Church in North America (ACNA). We strive "to train Christ's people to serve the flock of the Lord Jesus Christ through Biblical Anglican Worship, Example, and Discipleship as defined in the official standards of the Reformed Episcopal Church and the ACNA. Students are immersed in Scripture, the historical and ancient traditions of the church, worship, and doctrine, and an emphasis is placed on classical Anglicanism lived out in the world through worship, evangelism, and discipleship." The Seminary accepts students who desire to learn more about the truth of God's Word, the historic apostolic faith, and to be equipped to serve God in their communities and the world. Thus, we train and equip leaders for other orthodox Anglican jurisdictions and the wider Christian church, teaching our students to learn from, and work together, with students of different backgrounds and ecclesiastical traditions, but to always stand firm for the truth of the Gospel and God's inspired Word.

To that end, the Seminary offers two graduate degrees.

The Master of Divinity (M.Div.) is designed to provide comprehensive training in all aspects of Christian ministry, including Biblical studies and languages, theology, church history, preaching and teaching, pastoral counseling and administration, liturgics, and practical theology. The M.Div. is a rigorous program that is normally completed in three years of full-time study. It prepares graduates for many forms of ordained and lay ministry, including parish ministry, military or hospital chaplaincy, and Christian education or discipleship.

The Master of Arts in Theological Studies (MATS) is a degree for those whose vocations lie more in the realms of teaching, research, and writing, or those who want to begin theological training but are discerning how they will put that training to use. The MATS program can be completed in two years of full-time study.

In addition to the two graduate degrees the Seminary offers the Licentiate in Theology for those interested in the diaconal ministry and the Certificate in Anglican Studies, which is designed for those interested in a obtaining a thorough grounding in Anglican history and theology.

Faculty

RES is privileged to have an accomplished and experienced faculty. At present, our core faculty consists of seven holders of doctoral degrees from universities in the United States, Canada, Great Britain, and Australia. Our professors hold PhDs (or their equivalent) from Westminster Theological Seminary, the University of Pennsylvania, Cambridge, Toronto, Oxford, Trinity College Dublin, and Moore Theological College (Sydney). More importantly, we have striven to ensure that our faculty remains firmly in the Anglican tradition and have recently welcomed several new members committed to this ethos to ensure that RES remains a bulwark of orthodox Anglican doctrine and practice.

One event of note this academic year is the planned retirement of the Reverend Professor Dale Crouthamel, who will be stepping down from full-time teaching in Spring 2027. Dr. Crouthamel has been a dedicated member of the faculty for more than forty years. We are planning a special celebration of his service to be held in May 2027, and will provide details about timing and events in due course.

Enrollment

Our student enrollment is on the rise. The Covid era presented a number of difficulties for higher education and the seminary certainly experienced its share of disruptions. During that period, student enrollment declined significantly with the result that RES was required to introduce a new online learning program as well as adapt its on-campus programs to meet the challenges of the new academic environment. We are grateful to all those in the RES administration, the diocesan leadership, alumni, and individual members of the NEMA diocese who supported the seminary during this time.

With the move to Saint Paul's completed in Summer 2026, our enrollment has now begun to recover substantially. The seminary has tried hard to preserve the on-campus experience. While we recognize that some students are simply not able to move to Philadelphia due to family, work, or other obligations, RES continues to believe that being on-campus is the best way to prepare for the ordained ministry, especially ministry in the Anglican tradition.

We are, therefore, pleased to report that enrollment has begun to recover from the Covid decline and that RES now enrolls a total of thirty students in both the on-line and on-campus programs. We currently have eleven MDiv and eight MATS students. Three students are pursuing the LTh and four are completing the Certificate in Anglican Studies. Four other students are enrolled as special students or visitors. We have admitted three new students to the MDiv program for entry in January 2027, which will bring our on-campus MDiv cohort to seven with two part-time certificate students.

A cursory view of enrollment progress indicates that the seminary will be graduating students for ministry in the Diocese and the wider REC and ACNA with some regularity over the next few years. We expect that beginning in Spring 2028, two-three students will be ready each year for ordination and curacy. These graduates will help fill some of the vacancies that parishes are currently experiencing as well as being prepared to plant new missions for the diocese.

Events

Over the past year, the seminary has hosted a number of events of interest to the academic and wider communities. In Fall 2025, we hosted a symposium entitled, "Anglicans and the American Revolution". We welcomed participants from universities and seminaries from the US, Canada, and England.

In Winter 2026, we welcomed the Right Reverend Ashley Null, Bishop of North Africa and research fellow at Oxford University. Dr. Null is also the foremost historian of the work of Thomas Cranmer and delivered the Kuehner Lecture to a large audience.

In Spring 2026, RES welcomed a wide range of academics and theologians to a symposium on "The Future of Global Anglicanism". Participants included the Reverend Dr. Gerry McDermott, distinguished professor of Anglican Studies at RES, the Right Reverend Munir Annis, Primate of the Anglican Province of Alexandria and Presiding Bishop of the Episcopal Church in Jerusalem and the Middle East, and the Reverend Dr George Westhaver, principal of Pusey House at Oxford, among others. The conference considered the future of GAFCON, the ACNA, and the wider Anglican communion. It was extremely well-attended by guests from our own diocese, other ACNA dioceses, and members of other Episcopal/Anglican denominations.

The Episcopal Recorder

Established in 1822, *The Episcopal Recorder* magazine was at the forefront of the evangelical movement in the United States throughout the nineteenth and early twentieth centuries. For more than 160 years, *Episcopal Recorder* published articles on theology, practical ministry, church polity, missions, and worship. It was the voice of the REC bringing news and theological reflection to a diverse audience. The magazine continued to publish less regularly after 2000, when it finally ceased active distribution.

RES is pleased to begin publication of *The Episcopal Recorder* anew. Meredith Castor, RES librarian, will take over the position of editor. The first issue of the new series will be released in Fall 2026 and will contain the papers from the symposium on global Anglicanism. The second issue will come out in Spring 2027 and will have articles on "Bishop Cummins and the Prayer Book" along with other works on theology and Anglican history.

Sale of the Blue Bell Campus

The four buildings which make up the former Blue Bell campus have finally been sold. The sale allows the seminary to reduce its annual building costs (maintenance, utilities, and insurance). This provides an element of relief to the annual budget. The proceeds from the sales amounted to $1,123,769.30. Of this amount, the sum of $1 million was deposited into the seminary's investment account which had been entirely depleted. The remaining funds were used to pay off existing expenses and debt.

ATS

The Seminary is accredited by the Association of Theological Schools. Accreditation is necessary to have the authority to issue degrees under Pennsylvania law. In March 2026, an accreditation committee visited RES for its septennial evaluation. The ATS committee spent four days on campus and reviewed all aspects of the seminary's programs and performance.

During its visit, the committee expressed alarm at the state of the seminary's finances. By the Spring of 2026, RES's investment accounts had been entirely depleted. The seminary had no reserves and no funds beyond those raised through tuition, diocesan support, and gifts from alumni and member churches. In short, RES's financial position was (and remains) dire.

As a result, ATS agreed to re-accredit the seminary with the requirement of a public warning. A warning is a statement that expresses concerns about a school's finances and requires the affected school to post

the warning on its website. This warning currently applies to RES and is designed to focus attention on the need to provide greater financial stability for the institution.
The ATS committee expressed a number of specific concerns about RES's finances. Foremost among these was the fact that it had no reserves. In addition, while the committee was impressed with the level of support from the Trustees of the Diocese of the Northeast, it did note that alumni and individual giving to the seminary was below that which would have been expected of an institution that has been in existence for nearly 150 years. To be sure, RES is blessed to have a cadre of very dedicated and generous alumni and individual donors, but the overall number is small in relation to the total. For example, less than three percent of alumni have made a donation to RES in the past year. In addition, the ATS committee noted that the seminary has no active planned giving campaign designed to encourage alumni and friends to remember RES in their wills.

Ultimately, however, the ATS committee's greatest concern focused on the level of expenditure relative to income. Put simply, the seminary spends far more money than it takes in. This has caused RES to run substantial deficits and thus make substantial withdrawals on its investment accounts. For example, in the fiscal years 2022, RES ran a deficit in the range of $477,000 and a deficit of $420,000 in the 2023 fiscal year. In 2024, that number had declined to $360,000, but calls on the endowment continued until its total depletion in Spring 2026.

The sale of the Blue Bell properties in summer 2026 allowed the investment account to be replenished so that it now holds approximately $1 million. However, this is not "money in the bank." The investment account is not money that may be called upon to meet ordinary expenses any more than someone might just spend down the value of his house to buy groceries. The account's primary role is to generate earnings for use in operations and to provide for emergencies. It cannot be spent down to pay bills or make payroll. In short, the seminary is not sitting on $1 million in cash. It has an investment asset that will fill holes on an emergency basis and provide small amounts to supplement giving and tuition. Consequently, if we continue to make demands on the investment account, we will wind up in the same dire situation we are now. All we will have done is put the closure of the seminary off for a few years.

Given these circumstances, the ATS made clear that the seminary had to take drastic action to ensure its future financial stability. In response to these concerns, the seminary board undertook a comprehensive analysis of the budget and made significant changes to the seminary's operations. The result is that RES has implemented a balanced budget. It did not come without hardship and disappointment, but upon the completion of the first quarter, the seminary's income from donations and diocesan and church support is keeping apace with expenses.

Support

As noted above, we continue to be grateful for the support that the Diocese, its congregations, and members have given throughout the years. While we are not "out of the woods" yet, your support of the mission of the seminary is vital not only to the health and outreach of the REC, but to the many other churches and ministries where our students are able to serve because of the work of our Seminary. We hope that you will continue to remember the Seminary in your ongoing giving and estate planning.

We would like to note, in particular, that the seminary's annual giving campaign. This year, we hope to raise $100,000 for the general fund. Over the next few weeks, we will be contacting alumni, congregations, and individuals to make a donation in advance of the end of the tax year in December.

In addition, we ask that you actively encourage prospective students to consider RES for their theological education. Finally, we ask for your prayers. We know that it is only through God's grace that the Reformed Episcopal Seminary has endured thus far, and we hope that it is His will to preserve and strengthen the Seminary so that it may continue to serve the Diocese, the REC, and the wider Church for many years to come.

We are all so very grateful for your continued support of the seminary. All of us at RES believe very strongly in its mission. We are confident that RES has a very strong future. We are intent on ensuring that it remains a place where the authentic Gospel once delivered is being taught and preached, and that the historic Anglican tradition is being preserved. There is no other seminary out there doing that. In spite of the current difficulties, we revel in the work in which we are engaged and we are certain that with your continued generous help, RES will raise up faithful ministers to serve this diocese and the wider church for generations to come.

ANNUAL REPORT OF THE BOARD OF EXAMINING CHAPLAINS

To the Bishop and Diocesan Council of the Northeast & Mid-Atlantic (NEMA):

Greetings in our Lord, Christ Jesus! All Saints 2026

The Board of Examining Chaplains is tasked with evaluating the fitness of candidates for ordination to the Diaconate and/or the Presbyterate, for being set apart as Deaconess, or for transfer of orders into this Diocese. Upon completing evaluation of paperwork and written examination, followed by an interview via Zoom; we must discern either to 'recommend' or to 'not recommend' that person to the Bishop for ordination or transfer.

In 2026 we consisted of The Very Rev. Eric Jorgensen, The Very Rev. Cn. Eduardo Andrade, and myself, with Bishop Jenkins in attendance ex officio. The Ven. Rev. Dr. Jon Abboud, and the Rev. Gerald McGlynn joined us one session as substitute chaplains. I am grateful for the opportunity to have worked with these godly men, and I offer praise to the Lord for the work we accomplished together this year!

Following is a list of examinations conducted, ordered chronologically:

Mr. Jared Lovell	Presbyterate	Dec. 12th, 2025	-Recom'd
Mr. Norris Gadsden	Presbyterate	Jan. 9th, 2026	-*Rewrite Req.*
	Rewrite Reviewed	Sept. 28th, 2026	-Recom'd
Dr. Jack Simpson	Transfer	Jan. 30th, 2026	-Recom'd
Dr. Calhoun Parks	Deaconate	Feb. 27th, 2026	-Recom'd
Dr. Joshua Arp	Deaconate	Mar. 27th, 2026	-Not Rec'd
Mr. Lorenzo Figueroa-Cusick	Transfer	Jul. 10th, 2026	-Recom'd
Mr. Benjamin Pierce	Presbyterate	Jul. 17th, 2026	-Recom'd

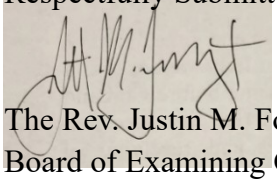

Following is a List of current Postulants, ordered alphabetically:

Dr. Josua Arp, Grace (Scranton), PA
Mr. Keith Beardsworth, St. Matthew's, PA
Mr. Joshua Dever, St. Stephen's, MD
Mr. Langston Gash, St. Stephen's, MD
Mr. June Hahn, St. George's, ON CAN
Mr. Christian Jones, St. Peter's, MD
Mr. Alexander McWilliams, Good Shepherd, PA
Mr. Timothy Meadows, St. Albans, NY
Mr. Matthew Trail, St. Steven's, MD

In closing, I would urge that fervent prayers be offered God for the Bishop and chaplains, all candidates, postulants, transfers, and those potential: that there would be faithful workers

raised up, strong in Christ Jesus for the harvest of the Lord and the cure of souls! I would also like to commend all the candidates on their hard work, and often great patience in enduring the rigors of the process. Let His name be praised forever. Amen!

Respectfully Submitted,

The Rev. Justin M. Forsberg
Board of Examining Chaplains, Chair

Report of the Committee on Memorials

To the One Hundred Forty-sixth Council
Of the Diocese of the Northeast and Mid-Atlantic
Of the Reformed Episcopal Church

October 19, 2026

Dear Brothers and Sisters:

The Committee on Memorials serves the Council and the Diocese by collecting memorials of notable saints who departed since the last meeting of the Council. The memorials listed below have been submitted this year.

Rev. Eugene J. Phipps., Rector of Jesus the Good Shepherd Reformed Episcopal Church, Brooklyn, NY went home to the Lord on Monday, June 22, 2026. Rev. Phipps served the parish as Rector from February 10, 2014 until his retirement.

Right Reverend William H. Ilgenfritz - With hearts full of unwavering love and sorrow, we announce the passing of the Right Reverend William H. Ilgenfritz, who crossed the threshold of this life and finally rested as he breathed his last into God's embrace on August 5th 2026, at the age of 79. As the founding Bishop of the Missionary Diocese of All Saints, Bishop Bill spent his life shepherding souls and protecting the historic faith.

From humble beginnings, Bishop Bill built a life defined by dedication and devotion. He was fiercely devoted to his wife, Lois Jean, with whom he celebrated his 60th wedding anniversary this past May. Bill and Lois Jean were not only married for 60 years, they had been high school sweethearts since the tender age of 13. Bill, along with Lois Jean, carried his devotion into raising his two children: Dana Kitting and her husband Matthew of York, and Timothy B. Ilgenfritz of Stillwater, Oklahoma. Additionally, his legacy lives on in his six grandchildren who lovingly referred to him as Pap-Pap. Jacob Kitting (Sivannah), Sara Kitting (Tray) Lynnsey Ilgenfritz (Michael), Abby, Morgan (Colton) Brooke, and five great-grandchildren that filled his heart with laughter and love. Along with several nieces and nephews whom he cherished as well.

William was a Bishop to many, but there are only two in this life that were forever tethered to him since birth. Bill is survived by both of his "little" brothers: David Ilgenfritz and Duane Ilgenfritz (Deb). Bill was proud to be the oldest brother. One of his favorite titles was being "number one" to "two and three".

The Bishop had many hobbies that he enjoyed. Fishing and coin collecting were just two that stayed with him as long as his body would allow. Watching the Pittsburgh Steelers and Pirates continued until his very last days. Finally, the hobby that filled his heart was rescuing dogs. He and Lois Jean rescued several together. Among the very best, is their adoring dog, Dora, who was right by his side as he closed his eyes to this world and opened them in the presence of the Master he so faithfully served, offering his final breath as a prayer of thanksgiving.

Rev. William G. Garrison, The Rev. William (Bill) Gough Garrison Jr., beloved father, brother, uncle, friend, pastor, and faithful servant of God, passed away suddenly on August 28, 2026, at the age of 68. Born in Philadelphia on May 15, 1958, Bill devoted his life to his family, faith, ministry, and caring for others. Bill was a man of deep faith, strong conviction, great humor, and compassion, whose life was devoted to his calling and to the people he loved. He was a mentor not only from the pulpit, but in the way he showed up for people when they needed him most.

Raised in Philadelphia and Baltimore, Maryland he graduated from Woodlawn High School in 1976 and went on to graduate with his BS from Old Dominion University before getting his Masters of Divinity from The Reformed Episcopal Seminary in Philadelphia.

In his 35 years of ministry Bill served as Senior Pastor of Grace Church Scranton and Emmanuel Church Pipersville. Bill served on several committees during his work in the ministry including The Committee on Young People's Work, The Committee for Memorials, The Committee on Nominations and the Board of Pensions and Relief. He also served as Deacon for several Diocesan General Councils. In the last decade, Bill was a Hospice Pastor during which time he provided comfort, solace and counsel to patients and their families approaching end of life.

His most significant role and contribution was that of father to his three children, grand-father to his three grandsons and brother to his two sisters and brother.

Bill was preceded in death by his beloved parents, William Gough Garrison Sr. and Elizabeth "Betty" Garrison. He leaves behind a family who loved him deeply and will carry his memory with them always. He will be greatly missed by his son, Ethan Garrison and his wife, Katelin, and their three sons, Oliver, Leonard, and Carter; his son, Colin Garrison; and his daughter, Erin Garrison. He is also lovingly remembered by his sister, Karen Fandrick; his brother, John Garrison and his wife, Durinda; and his sister, Kim Garrison Hopcraft and her husband, Michael, and their children, Dylan and Cassidy.

We thank God for these His children who have been a blessing to His Church for so many years.

Respectfully submitted,

The Rev. David A. France, Chairman

Report for the Committee on Christian Education

To the 146th Diocesan Council

Of the Diocese of the North East and Mid-Atlantic:

The Committee on Christian Education has not met much over the last couple of years. As such, there is not much activity to report. However, a decision has been made to use this committee's resources to secure outside funding for our diocesan parish schools and school-like programs. The main source for this will be grant-writing. Having had some experience in this field over the last couple of years, I already have a couple of contacts I'm hoping will bear fruit for our academies. But if anyone reading this report knows of any foundations, families, or businesses, who might be interested in supporting Christian education, please don't hesitate to contact me using the information below.

While raising money will be the primary goal of the committee in the coming year, other ideas are welcome. If there is a glaring deficiency or a need which the committee can help address, I again kindly ask that you would contact me at the information below.

Yours in the Divine Mercy,

Fr. Jenkins

Report for the Committee on Young People's Work

To the 146th Diocesan Council

Of the Diocese of the North East and Mid-Atlantic:

The COYPW sponsored two events in the past year: our diocesan summer camp for youth from grades 2nd-12th and our diocesan winter camp for grades 6th-12th. There was much to be grateful for at both events. At our winter retreat, held over Valentine's weekend at Rock Mountain Bible Camp, I led our campers through a study of the theological virtues-Faith, Hope, and Love. Through an exploration of Romans 5, I Cor. 13, and various film scenes, the campers learned the nature of Faith as evidence of things unseen, the Hope that all will be made well, and the Love which has worked and is working in the world to secure this hope. I am grateful to Fr. Jason Holloway for leading activities at this retreat and giving me the opportunity to be its speaker.

Our summer campers studied the Old Testament characters of David and Job. Younger students explored important events recorded in the life of Israel's great king including his work as a shepherd and his encounter with Goliath. All of the junior campers studiously memorized the 23rd Psalm as part of their lessons. A special thank you is due to Bishop Jenkins for spending his time with the junior campers and leading them in their studies. Fr. Justin Forsberg returned for the second summer in a row to teach our older campers. He focused on the book of Job, suffering, the Satan, and God. Boldy and lovingly, Fr. Justin read the entirety of the book of Job, in five parts, to our senior campers prior to preaching on its text. The COYPW thanks him for sharing his considerable expertise on the subject.

Our diocesan camping program continues to attract campers from outside of our diocese. In terms of denominational makeup, the one hundred or so participants at summer camp looked a great deal like a reflection of heaven. But I am pleased also to say that for the first time in recent memory, we had representatives from two New Jersey parishes-New Redeemer REC and Emmanuel REC. My prayer is that other parishes within the diocese will actively participate in sending youth to these retreats in the coming year.

Lastly, for anyone who is interested, we can host daytime guests at our retreats. If you would like to come up and spend the day with us, please let me know. You can eat with us, pray the daily offices with us, worship through singing and hearing scripturally sound messages and teaching, and a host of other activities. You will not regret it! Our next retreat is Winter Camp and will be held from February 12th-14th 2027, at Rock Mountain Bible Camp. A flyer will go out for this by the end of October. Please advertise this event in your parish bulletins and place the flyer for it in a place where it can be easily seen. Summer Camp will take place July 25th-July 31st, 2027. We would love for any and all to join us.

Yours in the Divine Mercy,

Fr. Billy Jenkins

REPORT OF THE COMMITTEE ON THE STATE OF THE DIOCESE

To the One Hundred Forty-Sixth Council
of the Diocese of the Northeast and Mid-Atlantic
of the Reformed Episcopal Church

November 5, 2026

Dear Brethren,

All but three NEMA parishes participated in the survey. This report is a compilation of the statistics submitted by those parishes.

In an attempt to make the collection and reporting process more convenient and efficient, a Microsoft Excel spreadsheet and the instructions for its use were made available on the NEMA website in February 2026. The spreadsheet is designed for ease of use by parishes in entering and submitting (via email) data, including automated calculations that are a regular part of the statistical report. This year, there was again a similar process executed by the ACNA during February/March 2026 – ACNA Congregational Reporting – in which NEMA parishes participated. The data requested by the ACNA is a subset of the statistics mandated by NEMA's Canons. The NEMA survey for 2026 data will be scheduled to be coincident with the ACNA process during February/March 2027.

The data submitted in this survey does not lend itself to even basic analysis as not all of the data submitted conforms to established definitions. However, here are a few basic observations derived from the 2025 raw data in the survey report:

- † Overall NEMA membership decreased by 36 souls during 2025;
- † Respondents reported total receipts of $4,134,401 and a total tithe of $282,191 for a raw percentage rate of 6.8%;
- † Sixty-seven percent of respondents reported expenditures exceeded revenue. Performance for the total of all respondents was that revenue exceeded expenditures by $112,391.

Thanks to all those involved at each parish in gathering and reporting statistics for 2025, to Greg Wright for the work in setting up the website forms and instructions and publishing the reports, and Diocesan staff for help in all. All your efforts are much appreciated.

Respectfully submitted,

Ronald E. Riches
Chairman

Report of the Looney-Hoffman Fund

To the One Hundred Forty-sixth Council
of the Diocese of the NEMA & Eastern Canada
of the Reformed Episcopal Church

Dear Brethren:

Pursuant to the direction of the will of Bishop Herman S. Hoffman that the Board of Trustees of the Looney-Hoffman Fund "shall report their acts and proceedings and expenditures of funds to the New York and Philadelphia Synod", the following report is submitted for the Fund's fiscal year June 1, 2025 to May 31, 2026.

The Board held four regular meetings during the year:

June 26, 2025
September 25, 2025
December 26, 2025
March 26, 2026

The Trustees of the Fund during the year were:

Rev. Jon Abboud, President &Treasurer
Tonya Forsberg, Recording Secretary
Gregory Wright, Vice President
Rev. M. Russell Buchanan
Rev. Dale Crouthamel
Rev. Matthew Harrington
Farrell Lawrence
Ronald Reese
Jamie Riley

The principal purpose of the Looney-Hoffman Fund is to make appropriations in the form of nominal interest loans for the establishment and expansion of Reformed Episcopal churches in Pennsylvania. Those "church loans", which must be secured by first mortgages on real estate, are made from the Fund's accumulated income. The Fund manages its principal and accumulated income in a variety of investments. At year end, $2,563,875.09 of that was in interest bearing loans to Reformed Episcopal organizations. The rest is invested conventionally, in other mortgages, mutual funds and bank deposits.

Respectfully submitted,

T. Forsberg

Tonya Forsberg, Recording Secretary

REPORT OF THE COMMITTEE OF THE BASSINGER HOME FUND

To the One Hundred Forty Sixth Council
Of the Diocese of the Northeast and Mid-Atlantic
Of the Reformed Episcopal Church

In keeping with the charge of our Constitution and Canons, the Bassinger Home Fund continues to afford a certain amount of protection to the clergy of this Diocese against infirmity, age, and death.

By the grace of our God, we were not called upon to meet to answer any specific crisis in this fiscal year. We are thankful for our Lord's care and remain willing to assist when needed.

Christian charity and careful stewardship are both mandated by God's Word. The Committee administers the Bassinger Home Fund with an eye to both.

We, once again, encourage the delegates of this Council to advise their parishes regarding the fund and its work. We encourage you to assure that the needs of your pastor and his family are cared for in good health, in disability, in retirement, and in death.

Respectfully submitted,

The Rev. Jason Holloway Sr., Chairman

REPORT OF PUBLIC RELATIONS COMMITTEE

To the 146th Council
of the Diocese of the Northeast & Mid-Atlantic
of the Reformed Episcopal Church

"(12). A Committee on Public Relations, consisting of five members, which shall endeavor to publicize by various news media all events and matters of interest occurring in the Diocese and its Parishes."

What are the means by which your church relates to the public? First off, there is the building and the sign out front. Secondly, there are your leaders, your rector or vicar or parish wardens. But most importantly, there are the members of your congregation. Each one of you is relating to the public in your interactions with friends, neighbors and co-workers. That interaction says a lot more to an outsider than a "Who We Are" pamphlet in your vestibule or on a webpage.

Yet in this day and age, your website is often the first thing a stranger will check when they hear about your church. And just as with a nice sign or your building, what they see tells them something about you in the first few seconds. The imagery you use, and the friendliness or helpfulness of the site, tells them what kind of people make up your church.

More than half of all visits to websites are happening from smart phones these days, compared to desktops and laptops which have much larger screens. The interface is also different, as there is limited room on a smart phone screen for buttons or clickable lines of text. Does your church website look good and work well when visited on a smart phone? Try it yourself. Visit your own website, try to find a picture of your building, the address, the service times, and the Contact page. It's not easy.

We hope you have been enjoying the increased flow of information and prayer requests from the Diocese via the more frequent NEMA News emails. If you are not getting this, you can CLICK HERE to sign up or send an email to: admin@rec-nema.org requesting a subscription. Contributions or suggestions are always welcome.

Another aspect of public relations is what happens when a crisis strikes your church. Does your church have a crisis management plan? Natural disasters, active shooters or attackers, or even the sudden discovery of sexual abuse or financial mismanagement can cause a public relations disaster for your congregation. Pre-planned communications and responsibilities are vital to managing the crisis. If you have concerns about your church's plan, email us at: admin@rec-nema.org.

The season of Advent and Christmas is coming soon, and we have a tradition of posting special events from our churches on a special Diocesan webpage in order to draw visitors. Please let us know how we can help your church expand your online appeal by featuring your upcoming events. Note also the REC-BFM Advent Appeal is coming up; a brochure is available on the Diocesan Council page HERE.

Respectfully submitted,
Gregory Wright, Chairman

REPORT OF THE SPECIAL COMMITTEE
ON SPIRITUAL GROWTH AND NURTURE

To the One Hundred Forty-Sixth Council of the Diocese of the
Northeast and Mid-Atlantic of the Reformed Episcopal Church

Dear Brothers and Sisters in Christ,

The primary function of this committee has been to sponsor a retreat for the active and retired clergy and their wives serving in this diocese. The retreat has also welcomed postulants as well. The committee met twice by Zoom to plan the event, and invitations and retreat forms were sent by email to clergy throughout the diocese. Many follow-up emails and texts went out as well.

The retreat for 2026 took place February 5th through the 7th at the Eden Resort in Lancaster, PA. We opened Thursday evening with a message on the theme of "The Diocese as Community," calling us to see ourselves not as a loose collection of independent parishes but as one body under our bishop. On Friday morning, Jonathan Riches shared a message on Family Prayer. Friday evening, Bishop Bill shared his vision for our diocese to grow together as a body, and we spent time in prayer for one another and for the specific needs of one another's churches.

We are grateful to those whose labor made this retreat the success it was. Jonathan Riches gave generously of his time and insight in his message on Family Prayer. Stephanie Blitz and Sarah Benner led our fellowship times, giving us the chance to know one another better outside of our teaching sessions. Lynette McCarl did a wonderful work researching and promoting the weekend, which contributed greatly to its success. And we thank Bishop Bill for his continued vision and shepherding of this gathering, which remains a gift to the clergy and wives of this diocese.

The next retreat will be held February 4th through the 6th, 2027, again at the Eden Resort in Lancaster, PA. We are pleased to welcome the Rev. Robert Garrett and his wife, Kim, as our guest speakers. Robert is a graduate of Reformed Episcopal Seminary and currently serves as Lead Pastor of Christ Chapel in McMinnville, Tennessee, after pastoring in Chester County for over thirty years. In 2005, he and Kim founded Christian Call, a ministry "to educate the contemporary church in the ancient faith of the early church," and they bring a deep love for Anglican faith and practice to their ministry together. We look forward to a weekend of worship, teaching, and renewal under their leadership, and we encourage every parish in the diocese to send its clergy and their wives to attend.

Respectfully Submitted,

The Rev. Michael Blitz

Report of the Committee on the History of the Diocese
To the One Hundred Forty-sixth Council of
the
Diocese of the Northeast and Mid-Atlantic

Dear Brethren:

The Committee on the History of the Diocese strives to collect and preserve materials related to the life of our churches. Please do all that you can to preserve materials important to the history of our churches, institutions, and diocese. Please send at least one copy of any materials that describe important events in the life of our churches, institutions, and members. These may include newsletters, bulletins, certificates, news clippings, pictures, and other mementos. It is important for us to collect and preserve the history of our church for future generations. This past year we received very few materials.

Materials should be sent to:

The Rev. Canon Jonathan S. Riches, Ph.D.
Attention: Diocesan History Committee
213 Olive Avenue
Horsham, PA 19044

When submitting materials please include a list indicating when and where they are from. Make sure pictures are appropriately labeled as well. It is important that whenever possible materials documenting the history and important events in the life of your parish and people be submitted for preservation. If in doubt of whether to send an item to us, please go ahead and send it!

Personally, I continue to work through Bishop Riches library and archives. This is a substantial amount of material and I am going through that with an eye on preserving that history.

Respectfully submitted,

The Rev. Canon Dr. Jonathan S. Riches, Chairman

2026 Report of the Short Term Missions Committee

To the 146th Council of the Diocese of the Northeast and Mid-Atlantic

of the Reformed Episcopal Church

Dear Brethren,

The Short Term Missions Committee did not sponsor any mission trips in 2025-2026. However, we are planning three trips in 2026-2027. The trips will combine outreach with church maintenance work and will last for only one day so that overnight accommodations will not be required.

In order to make the trips more accessible to the people of our Diocese we are planning one trip in Pennsylvania, one trip in Maryland, and one trip in New Jersey. This year's host parishes will be Church of the Atonement in Philadelphia, Faith Church in Baltimore, and New Redeemer Church in Jersey City, NJ. Dates of these trips will be made available as plans are solidified.

Please plan to participate in one of these trips with your parish! They serve a dual purpose of helping our brothers and sisters in Christ as well as reaching the lost with the gospel of Christ.

In Christ,

Rev. Greg Miller

To the One Hundred Forty-Sixth Council

of the Diocese of the Northeast and Mid-Atlantic
of the Reformed Episcopal Church

Dear Brethren;

The Ministry to Men Committee has not organized any denominational men's events this year. The committee would like to hear about the men's ministries being implemented in their parishes so we can share them to encourage and provide ideas for our parishes.

Respectfully Submitted,
In Christ Service,

The Rev. Dr. Mark A. Specht, Chairman

REPORT OF COMMITTEE ON WOMEN'S MINISTRIES

The Women of the NorthEast, Mid-Atlantic and Eastern Canada Diocese were able to meet for our two annual events. These gatherings are the Women's Day Project Offering Luncheon and the Spiritual Enrichment Conference.

On May 1, 2026 the Women's Day Project Offering Luncheon was held at St. Pauls. There were 39 individuals in attendance and 36 present for the luncheon. The speaker was Lady Audrey Banks. Her words were found to be dynamic, encouraging, and reflective.

Reformed Episcopal women throughout our country and Canada remained faithful and gave generously. The 2025 Women's Day Project Offering Luncheon Goal received donations to provide support with printing 1,000 pocket sized Books of Common Prayer.

The 68th Spiritual Enrichment Conference for 2026 was held on September 25-27, 2026 in Williamsburg, Virginia. There were over 60 women and men who registered and attended. The heart-warming and soul searching keynote speaker was Mrs. Paulette Haynes of Nazareth Reformed Episcopal Church, SC.

In Christ,
Ebony Holloway
Chairman, Committee on Women's Ministry
