

Dear REC Brothers and Sisters:

For nearly 150 years Reformed Episcopalians have pursued our Lord's command to make disciples for Him among all nations. The Board of Foreign Missions continues to support Reformed Episcopal missionaries abroad, and to strengthen its missionary dioceses and convocations around the world.

Last year's BFM Advent Offerings furthered new church plants and ministerial education. This year's Advent Offering focuses on a strategic plan to cultivate and promote orthodox theological education in Africa and the REC's 150th birthday celebration at General Council. Please give to these strategic commitments. **A healthy church is a sending church!** Thank you, and God bless you and your parish mission projects!

In Christ,
